

## Chelsea Academy Press Release - A levels 2020

During these uncertain times Chelsea Academy is pleased to share that the A level performance this year is slightly up on a year ago and marks another year of improvement. Over a quarter of all grades awarded were either an A\* or A grade and over 58% were above a grade B. With the changes in the grade awarding system these results are sure to go up further. However, as always our focus is on individual student success and this year our students have done amazingly well with top university offers across a range of subject areas. Congratulations to:

Adrienna	- A*AA - Cambridge to study Veterinary Science.
Amier	- A*A*A - Cambridge to study maths.
Ali	- A*A*AA - Cambridge to study maths.
Ebed	- A*A*A - Oxford (St Peter's College) to study Engineering
Charlie	- A*A*A*A - Queen Mary University of London to study Medicine
Nicholas	- A*AA - UCL to study Politics and International Relations
Sanaa	- A*A*A - LSE to study History
Josue	- A*A*B - UCL to study Law
Jonathan	- Oxford to study Engineering at Lady Margaret Hall after passing the foundation year.
Nell	- Bristol to study Medicine following a gap year

Matt Williams, Principal said 'These are a great set of results and destinations for a group of young people that worked so hard and then had the summer exams cancelled when they were ready to shine. We are celebrating the significant number of students that got into Oxbridge but also all of those that have done well and are now moving onto the next stage of their education journey or into the world of work.

Over the past six years the results at the sixth form at Chelsea Academy have gone from strength to strength and a sixth form which started as 60 students has grown into one of 250 with more than 900 applicants for September 2020. Students appreciate our academic success along with a nurturing and caring environment that ensures they do their best. We work with our students and support them when they need it and offer a range of extracurricular activities and opportunities which the top universities value and expect. There really is nowhere better locally to do your A levels. Well done to Mrs Holgate and her sixth form team and to all the students, parents and teaching staff who have worked tirelessly together.

Jo Holgate, Assistant Principal said 'We are so proud of all our students and the resilience they have shown over recent months. We are delighted with the fantastic university places secured this year and wish our students all the best as they continue their education and careers after Chelsea Academy.'
