Curie House

House Leader - Ms Tomlinson

Ms Tomlinson's message for House Olympics XII:

To all the fabulous Curie folk,

Yes! We are the reigning champions! I was SO proud of you all last year, your enthusiasm and participation were what made us come out on top - and I think that we all learned a lesson about sports day NOT being the only thing the Olympics is based on.

We welcome our new Year 7 to the Curie family, please do say hello to each other when you spot a green planner in a pocket.

Let's keep the title - we can do it! #curieforthewin

Mrs T

Einstein House

House Leader - Ms Lewis

Ms Lewis' message for House Olympics XII:

Hello The wonderful Einstein. We were so close last year to the trophy which tells us this is our year! There are so many competitions for us all to get involved in and show off our amazing talents. Make sure you get the entries in, every point counts! Welcome new Y7 and 12s to the team, I look forward to seeing you and getting to know you all in our assemblies and around the Academy.

Go Einstein!

Faraday House

House Leader - Mr Hall

Mr Hall's message for House Olympics XII:

I am thrilled to be returning to Faraday this year, only this time as your house leader! We were sadly knocked off the winner's podium last year - even though we came out on top at Sports Day! I am therefore really looking forward to seeing as many of you showcase your talents and flourish this year in all of the different house competitions. Wear your orange planners with pride and let's get the crown back!

Galileo House

House Leader - Ms Thakrar

Ms Thakrar's message for House Olympics XII:

My lovely Galileans - this is our year! This is the year of victory for Galileo, when we return to our rightful spot at the top of the leaderboard! I'm really looking forward to seeing you all as a house this year in our half termly assemblies, and getting to know you all as you participate enthusiastically in our inter-house competitions. There are so many trophies up for grabs and our route to victory is through effort, determination and passion. This is the year to show off your talents and your strengths, encourage each other to take part and never give up!

Let's go Galileo!

Lister House

House Leader - Ms Allen

Ms Allen's message for House Olympics XII:

I'm so excited to be taking on the role of Lister House Leader this year! The House Olympics are such a fantastic way to show off your creativity, your intelligence and your sportspersonship, amongst many other things. The House Olympics allows us the opportunity to support each other, to be kind to each other, and to really show the rest of the Academy community what we can do! We have a great record from the past few years, and I am confident that we can reign supreme once more!

Go Lister!

Newton House

House Leader - Mr Ogunba

Mr Ogunba's message for House Olympics XII:

Education is the most powerful weapon which you can use to change the world!

In the journey you go on while you're at school it's important to make the most of the opportunities in front of you. Give your best effort in every lesson as you learn, develop relationships and grow into the person you will become. Let's win some competitions, top the attendance and punctuality charts, and bring back Gold in the House Olympics!
