CHELSEA ACADEMY
Anchored in Christ

DIGITAL SERVICES

We have a number of digital services available to help your child make progress or to simply share information at Chelsea Academy. Below is a list of those services and how either you or your child can log in. The majority can only be accessed by the students but your knowledge of them is important to help support them with their learning. Edulink will give you information about your child's timetable, achievements, behaviour points, attendance.

Edulink				
The information management admin system that we use here at Chelsea Academy. It allows parents to keep their contact details and consents up to date and it allows us to easily communicate with parents about attendance data, achievement and behaviour data.				
Web address	**How to log in**	**Parents log in?**	**Students log in?**	**Where can we get logins / passwords?**
www.edulinkone.com/#!/login?code=chelsea	Check your email inbox where you should have an invite from Edulink. Go to the website and login. Also available as an app.	Yes	Yes	Centre ID *Chelsea* From the email sent via Chelsea Academy. Parents can reset their password from the login page.

The Chelsea Academy Learning Cloud (CALC)				
Our online Google driven teacher / student website. Here the students have links to all the digital platforms, the Google suite of apps, latest news, twitter feed, calendar etc. Most importantly, here is where students can see all their IL tasks through smarthomework. It's the green tab on the top row.				
Web address	**How to log in**	**Parents log in?**	**Students log in?**	**Where can we get logins / passwords ?**
www.thecalc.net	Login using the username provided at the start of the year.	No	Yes	All teachers have access to reset your passwords and can share your username with you. Please ask your learning coach to reset your password on the system and your password will become: *password*.

Seneca Learning (Year 7 - 13)				
Seneca is an online learning platform used in Schools *The free parent platform allows you to monitor your child's progress.*				
Web address	**How to log in**	**Parents log in?**	**Students log in?**	**Where can we get logins / passwords?**
www.senecalearning.com	Go to senecalearning.com/signup	Yes	Yes	Click here to create a parent account (if you arrive at a login page, make sure to click on the 'Sign up' option) Click 'invite child' Share your code with your child(ren) and ask them to click on the link

This guidance does not include the many resources that subjects might use independently, for example Sparx Maths (Maths), Memrise (MFL) or Tasomai (Science). For support in these programmes, students should see their subject teachers. Again, parents can not log into these services.

For queries on Edulink please contact your child's Head of Year

If you have any further general queries, please contact our Strategic IT Lead Alex ROWE
