Dear parents and carers,

LCCD

Our first Learning Coach Consultation Day has just concluded, and I have enjoyed seeing so many students with their families arriving on site yesterday and today. Thank you for your time spent attending these important appointments, and for supporting your child with the goals agreed at their appointment. As a reminder, if you didn't meet your child's main Learning Coach this time, your appointment at LCCD2 will, as far as possible, be with them.

Nasal Flu vaccination session on Monday - CANCELLED

Unfortunately I have to inform you that the school vaccination service has not made the necessary arrangements ahead of Monday's planned nasal flu vaccination session for Years 7, 8, and 9. We have therefore had to remove the date from our calendar. We understand that this will be disappointing to those of you who planned to give consent, and we will prioritise arranging another date with the vaccination team. We will of course pass on any information we receive about vaccination opportunities within the local community.

Culture and Identity Day - from Miss Hagan, our EDI Lead.

Our annual Culture & Identity day is coming up very soon on the 15th of November. We have many exciting activities and events planned including a student and staff Bollywood dance performance, staff-led lunchtime cultural workshops and a food tasting House competition of our best dishes! Preparation is underway led by Miss Hagan and our 4TheCulture team. As with previous years students are not permitted to wear flags but we'd love to see students in national or cultural dress. Alternatively students can be part of this day by wearing the 'Earth' colours of blue and green.

Chaplain's message - from Rev'd van Kan

*As we reflected upon the idea of 'Flourishing Together' this week; I'm reminded of **Psalm 92:12-13**, which beautifully reminds us that "The righteous will flourish like a palm tree, they will grow like a cedar of Lebanon; planted in the house of the Lord, they will flourish in the courts of our God." This verse wonderfully speaks to the beauty of flourishing together in faith and friendship.*

Just like the palm tree that bends yet doesn't break and the strong cedar that stands tall, we can find a new sense of strength in our connections with one another. When we consciously support each other, we create a space where God's love and growth can thrive. I pray that the peace of Christ is with you all.

This half term will soon be over and I will be sharing our special October newsletter with you.

Enjoy your weekend.

Yours faithfully,

Mariella Ardron
Principal
