1. Chelsea Academy Scheme of Delegation

The Board of Governors at Chelsea Academy is accountable in law for all decisions about the Academy. However, this does not mean that the Board is required to make all the decisions itself. Many decisions are delegated to sub committees and the Principal. This document shows areas of responsibility and has been fully agreed by the full Governing Board (FGB).

Our scheme of delegation is published on the Academy's website and can be found on pages 4 to 5.

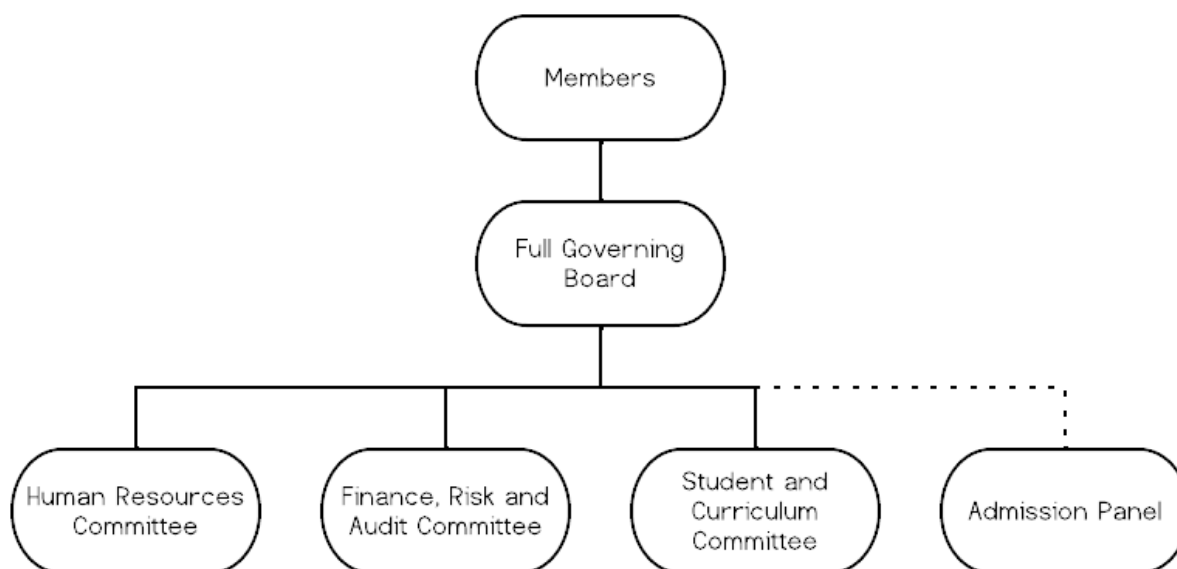

Legal Structure of the Chelsea Academy and Governors' Status and Duties

The Chelsea Academy (A Science Academy) is a company limited by guarantee which is registered at Companies House (No: 06176090). As a company Chelsea Academy's basic powers, rights, duties and responsibilities are derived from the Companies Act 2006 and from its Memorandum and Articles of Association which are its core constitutional documents.

The Academy's Memorandum of Association states its objects to be "to advance for the public benefit education in the United Kingdom in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing a Church of England school offering a broad curriculum with a strong emphasis on but in no way limited to the Sciences and to be conducted in accordance with the principles and practices of the Church of England". The Memorandum then sets out the Academy's powers which must always be exercised in furtherance of the objects. The Academy (like any company) cannot do anything unless it has the power to do it under the terms of its Memorandum.

As a company limited by guarantee it does not have shareholders but has three members, the Royal Borough of Kensington and Chelsea, the London Diocesan Board for Schools and the Bishop of Kensington. An appointment as a Governor of the Chelsea Academy means that the individual becomes a Director of the company and has all the duties of a Director as set out in the Companies Act and under the common law. The Chelsea Academy is also a charity registered with the Charity Commission and therefore has to comply with all charity laws as well as the requirements of the Charity Commission. An appointment as a Governor of the Chelsea Academy means that the individual also becomes a Trustee of the charity and has all the duties of a charity trustee under charity law.

The structure of the Governing Board at Chelsea Academy

Lines of accountability

The Governing Board delegates responsibility for delivery of the vision and strategy to the Principal. The Board will hold the Principal to account for the performance of the Academy. Different subcommittees have responsibility for different aspects of the Academy and these are outlined in the individual terms of reference for each subcommittee.

Roles and Responsibilities

The role of the members

The members of the trust have a different status to trustees. Originally they will have been the signatories to the memorandum of association and will have agreed the trust's first articles of Association. The members appoint trustees to ensure that the trust's charitable object is carried out and so must be able to remove trustees if they fail to fulfil this responsibility. Accordingly, the trust Board submits an annual report on the performance of the trust to the members. Members are also responsible for approving any amendments made to the trust's articles of association.

While members are permitted to be appointed as trustees, in order to retain a degree of separation of powers between the members and the trust Board, and in line with DfE expectations, not all members should be trustees. The DfE has amended the model articles to state that members are not permitted to be employees of the Academy trust.

The role of the Governors

As outlined above, Chelsea Academy is a charity, a company and an educational institution and as such, the group of executive leaders who are responsible for the oversight of the Academy are bound by both charity and company law, and can be referred to in three interchangeable ways depending on the context. This group of executive leaders are Trustees in a charity context, Directors in a business context, and Governors in a school setting.

We do not refer to our executive leaders as 'Director' to avoid the possible confusion caused when executive leaders are called directors but are not company directors and trustees. **As our core purpose is an educational institution we use the preferred term 'Governor' and 'Governing Board' when referring to these executive leaders.**

The Governors are the charity trustees (within the terms of section 177(1) of the Charities Act 2011) and are responsible for the general control and management of the administration of the trust in accordance with the provisions set out in the memorandum and articles of association. The Board of Governors is the accountable body for the performance of the Academy and as such must:

1. Ensure clarity of vision, ethos and strategic direction;
2. Hold the executive to account for the educational performance of the schools and their students, and the performance management of staff;
3. Oversee the financial performance of the trust and make sure its money is well spent.

The Governing Board is permitted to exercise all the powers of the Academy trust. The Governing Board will delegate to the Principal responsibility for the day to day operations of the trust. The Governors can determine whether to delegate any governance functions.

The trust has the right to review and adapt its governance structure at any time which includes removing delegation and Governors.

The role of committees

The Governors may establish committees either with delegated authority to make decisions or for the purpose of providing advice and support, informing the overall work of the Governing Board. However these committees are not legally responsible or accountable for statutory functions – the Governing Board retains overall accountability and responsibility. The responsibilities of Governing committees are set out in their

terms of reference which are included in the Scheme of Delegation. The Governing Board may appoint committee members and committee chairs.

The role of the Academy Principal

The Academy Principal is responsible for the day to day management of the Academy and is managed by the Governing Board and specifically the Chair of Governors.

Terms of Reference

1. Terms of Reference for the Full Governing Board - agreed 10th July 2025

Purpose

- The Board of Governors at Chelsea Academy is accountable in law for all decisions about the Academy.
- The Governing Board delegates responsibility for delivery of the vision and strategy to the Principal. The Board will hold the Principal to account for the performance of the Academy.
- Different subcommittees have responsibility for different aspects of the Academy and these are outlined in the individual terms of reference for each subcommittee. Subcommittees report and make recommendations to the Full Governing Board.

Membership

- The membership of this group shall be a minimum of three Governors and shall include the Principal. The Chair will be appointed by the Members. The Governors shall, before the beginning of each academic year, elect a vice-chair from among their number. A Governor who is employed to work at the Academy shall not be eligible for election as vice-chair.
- The Trust shall have the following Governors:
 - (a) seven sponsor Governors (four from LDBS, three from RBKC);
 - (b) one parent Governor;
 - (c) the Principal;
- The Governing Board may appoint up to five co-opted or private sector Governors. (A 'co-opted Governor' means a person who is appointed to be a Governor by being co-opted by Governors who have not themselves been so appointed).

Quorum

- As per our Articles paragraph 95 the quorum for a meeting of the Governing Board, and any vote on any matter thereat, shall be any three Governors, or, where greater, any one third (rounded up to a whole number of the total number of Governors holding office at the date of the meeting).
- Where there is an equal division of votes the chair or, as the case may be, the person who is acting as chair for the purposes of the meeting, shall have a second or casting vote.

Meetings

- The Full Governing Board meets four times each year and the annual work plan on page 16 below shows what is discussed at each meeting.

Terms of Reference

The committee is authorised to cover:

Systems and Structures

1. To ensure operation within published articles of association.
2. Review terms of reference for the FGB and review when needed.
3. To establish and review annually the committee structure.
4. To agree and review terms of reference for sub committees.
5. Complete the annual skills audit and plan training to fill any gaps.
6. To periodically carry out 360 review of the Chair's performance
7. To create a plan of succession (when required) for the Board and ensure that there is one in place for the Academy.
8. To agree on the annual schedule of business for the Governing Board.

Reporting

1. To submit an annual report and financial accounts. This is to include accounting policies, signed statement on regularity, propriety and compliance. Incorporate governance statement which should demonstrate value for money.

Being Strategic

1. To determine and approve Academy wide policies which reflect the trust's ethos and values. Different branches have responsibility for different policies (see page 19 – 20 for further details. This process is regularly reviewed by the FGB). Policies that come to the FGB are listed in Appendix 3 of this document.
2. To review and monitor the Academy's Strategic Risk Register.
3. Engagement with stakeholders and the Chelsea Academy Foundation.
4. To determine the Trust's vision and strategy via a five year strategic plan and agree key priorities and key performance indicators (KPIs) each year against which progress towards achieving the vision can be measured.

Appendix 4

Governors Training plan 2025 – 2026

Introduction

The Governors at Chelsea Academy recognise that all Governors, however experienced, need training to improve their effectiveness in their role and to keep abreast of developments that may affect the Academy and their role as Governor.

The Governing Board has identified the following ways in which it demonstrates commitment to continuing professional development:

- Allocated a budget for Governors' training from within the Governors overall budget. This is to be transparent and expenditure to be reported annually. The Governors have allocated a budget for their training which is to be reviewed on an annual basis. This funding will ensure that all Governors are able to develop their knowledge, skills and understanding of by:
 - Providing training for the whole Governing Board as appropriate.
 - Encouraging all Governors to undertake at least one session of professional development per academic year.

All applications for training opportunities that incur a fee must be first agreed by the Governor with responsibility for Governors' training. This is to ensure that the budget is carefully monitored and adhered to.

- Link Governor – certain Governors have been allocated a Link Governor responsibility to enable close monitoring of the key priorities identified in the Academy's Development Plan. Strong links between Governors and the Academy's leaders mean that Governors are acutely aware of the impact of actions taken in response to government initiatives, to raise achievement and tackle any underperformance. All Governors are committed to making a visit during the allocated link Governor visits weeks. Visiting Chelsea Academy, particularly during the day, is an important way for Governors to learn more about the Academy. Through pre-arranged visits that have a clear focus, Governors can see how the implementation of policies and the Academy Development Plan are working in practice. Visits can also provide an opportunity to talk with students, staff and parents to gather their views. As part of each visit, Governors will be taken on a Learning Walk.

Visits should be undertaken as part of a strategic programme to:

- improve Governors' knowledge of the Academy, its staff, needs, priorities, strengths and weaknesses.
- monitor and assess the priorities as outlined in the Academy development plan.
- assist the Governing Board in fulfilling its statutory duties.

Before visiting the Academy Governors should:

- inform the Principal of the visit and seek approval of the arrangements.
- ensure that they are familiar with health and safety procedures including what to do in the event of a fire.

After visiting the Academy Governors should:

- complete a visit report using the agreed proforma.
 - report back to the committee or Governing Board as appropriate.
- The Governing Board is a member of the National Governance Association (NGA) which provides all Governors with up-to-date information and guidance on all aspects of school improvement and school leadership. All Governors have access to their website and receive a weekly newsletter and a quarterly magazine. The NGA also provide regional meetings and conferences to which all Governors may attend.

Training Programme

Training for Governors will be achieved in a number of ways:

- All new Governors will receive an induction appropriate to their needs.
- Prior to some full Governing Board meetings there will be a 30 minute training session. The purpose of these sessions is to update Governors on an aspect of school improvement/leadership pertinent to the Academy. (Appendix 4 has the schedule for the academic year).
- Twice a year Governors will attend a Governors' Development Session. The focus for the half-day training will be to build upon the skills audit, training undertaken previously and any external reviews (including Ofsted). (See Appendix 4).
- All Governors receive a copy Bi-borough training programme provided by the LA (in partnership with City of Westminster) and will identify training pertinent to their needs. The Academy pays for this training.
- The Diocese – offer training courses for Governors. Again all Governors receive a copy of the training schedule from which they can identify training pertinent to their needs. There is a small fee for attendance at these courses; this is costed into the training budget.
- NGA/Judicium offer online training programmes that are available for all Governors to undertake as they feel appropriate. There are a variety of modules which should enable all Governors to find something appropriate to their needs. All new Governors are advised to complete the modules for new Governors and all Governors should complete the safeguarding module. The Principal or Designated Safeguarding Lead may, from time to time, request that Governors complete specific online training to support the strategic aims or statutory needs of the Academy. There is a fee for attendance at these courses.

All Governors are committed to undertaking at least one training opportunity each academic year.

Appendix 5

Code of Conduct for Governors - approved at FGB 10th July 2025

This code sets out the expectations on and commitment required from Academy Governors and trustees in order for the governing board to properly carry out its work within the Academy and the community.

The governing board has the following core strategic functions:

Establishing the strategic direction, by:

- Setting the vision, values, and objectives for the Academy
- Agreeing the Academy improvement strategy through the Strategic Plan and ADP

Ensuring accountability, by:

- Appointing the Principal
- Monitoring progress towards targets
- Performance managing the Principal
- Engaging with stakeholders
- Contributing to Academy self-evaluation

Ensuring financial probity, by:

- Agree and review the Academy's budget
- Monitoring spending against the budget
- Ensuring value for money is obtained
- Ensuring risks to the organisation are managed

As individuals on the board we agree to the following:

Role & Responsibilities

- We understand the purpose of the board and the role of the Principal.
- We accept that we have no legal authority to act individually, except when the board has given us delegated authority to do so, and therefore we will only speak on behalf of the governing board when we have been specifically authorised to do so.
- We accept collective responsibility for all decisions made by the board or its delegated agents. This means that we will not speak against majority decisions outside the governing board meeting.
- We have a duty to act fairly and without prejudice, and in so far as we have responsibility for staff, we will fulfil all that is expected of a good employer.
- We will encourage open government and will act appropriately.
- We will consider carefully how our decisions may affect the community and other Academies.
- We will always be mindful of our responsibility to maintain and develop the ethos and reputation of our Academy. Our actions within the Academy and the local community will reflect this.
- In making or responding to criticism or complaints affecting the Academy we will follow the procedures established by the governing board.
- We will actively support and challenge the Principal.

Commitment

- We acknowledge that accepting office as a Governor involves the commitment of significant amounts of time and energy.
- We will each involve ourselves actively in the work of the governing board, and accept our fair share of responsibilities, including service on committees or working groups.
- We will make full efforts to attend all meetings and where we cannot attend explain in advance why we are unable to.
- We will get to know the Academy well and respond to opportunities to involve ourselves in Academy activities.
- We will visit the Academy, with all visits to Academy arranged in advance with the staff and

undertaken within the framework established by the governing board and agreed with the Principal.

- We will consider seriously our individual and collective needs for training and development, and will undertake relevant training

Relationships

- We will strive to work as a team in which constructive working relationships are actively promoted.
- We will express views openly, courteously and respectfully in all our communications with other Governors.
- We will support the chair in their role of ensuring appropriate conduct both at meetings and at all times.
- We are prepared to answer queries from other Governors in relation to delegated functions and take into account any concerns expressed, and we will acknowledge the time, effort and skills that have been committed to the delegated function by those involved.
- We will seek to develop effective working relationships with the Principal, staff and parents, the local authority and other relevant agencies and the community.

Confidentiality

- We will observe complete confidentiality when matters are deemed confidential or where they concern specific members of staff or students, both inside or outside Academy
- We will exercise the greatest prudence at all times when discussions regarding Academy business arise outside a governing board meeting.
- We will not reveal the details of any governing board vote.

Conflicts of interest

- We will record any pecuniary or other business interest (including those related to people we are connected with) that we have in connection with the governing board's business in the Register of Business Interests, and if any such conflicted matter arises in a meeting we will offer to leave the meeting for the appropriate length of time.
- We will also declare any conflict of loyalty at the start of any meeting should the situation arise.
- We will act in the best interests of the Academy as a whole and not as a representative of any group, even if elected to the governing board.

Breach of this code of conduct

- If we believe this code has been breached, we will raise this issue with the chair and the chair will investigate; the governing board will only use suspension/removal as a last resort after seeking to resolve any difficulties or disputes in more constructive ways.
- Should it be the chair that we believe has breached this code, another Governor, such as the vice chair will investigate.
- The Seven Principles of Public Life (Originally published by the Nolan Committee: The Committee on Standards in Public Life was established by the then Prime Minister in October 1994, under the Chairmanship of Lord Nolan, to consider standards of conduct in various areas of public life, and to make recommendations).
- Selflessness – Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.
- Integrity – Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.
- Objectivity – In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.
- Accountability – Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

- Openness – Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.
- Honesty – Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.
- Leadership – Holders of public office should promote and support these principles by leadership and example.

Adopted by the governing board of Chelsea Academy on 10th July 2025
