# Whilst you are waiting…some lovely quotes from parents including our June 2026 Parent/ Carer survey

*The school does not select students through banding tests, which would tend to ensure that a certain proportion of students are very capable at the point of entry. As such, it sets a high bar for itself for it needs to improve all students.*

*My son is in Y7, hasn't had the easiest few years personally. His learning coach has been amazing, alongside other teachers within the school. I need him to feel safe and taken care of, and I am happy with how his been carefully dealt with.*

*Everything! pastoral care brilliant. High academic achievements. Excellent dedicated staff.*

*Year 7 is a big transition. You'll notice that the school tries hard to empower the kids to make their own responsible choices. I've always felt that the school wanted to partner with me as a parent.*

*My son's experience at Chelsea Academy has been excellent. The teachers are dedicated, supportive, and always well prepared. Their approach to teaching motivates students to do their best. I am so pleased with the school that I also plan to enrol my daughter there.*

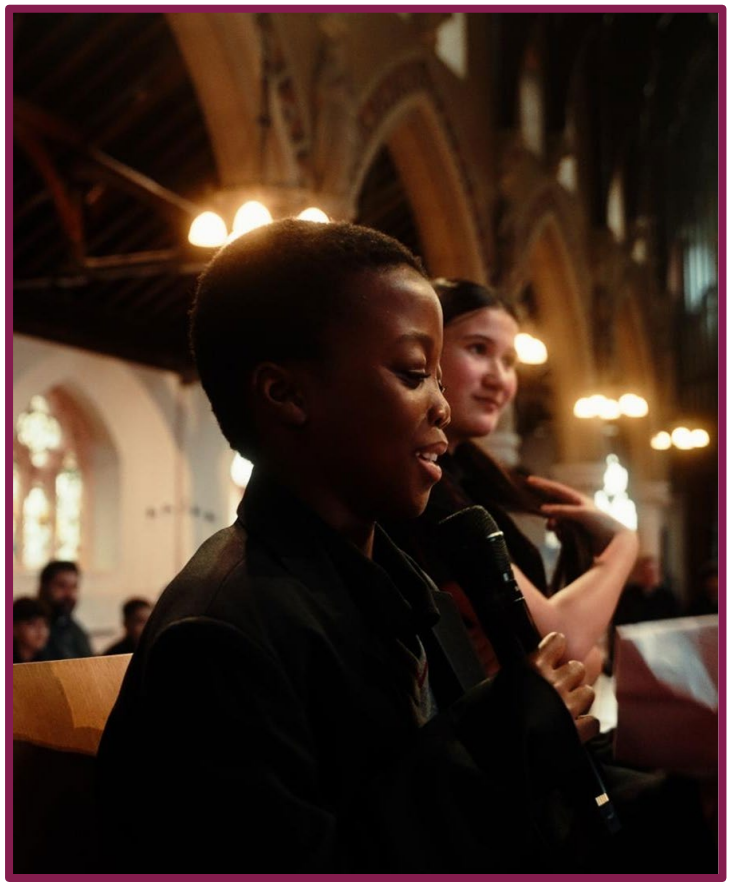
# How do we do it?



- **Understanding the importance of strong transition from Year 6 to Year 7**
- **Our Behaviour and Teaching & Learning Frameworks**
- **Outstanding pastoral provision alongside excellent academic provision**
- **Our inclusive Christian ethos**

- ★ **Once again excellent GCSE & A Level results in 2026**. Our GCSE results consistently show that students perform well over half a grade higher than the national average across all their subjects
- ★ This places us in the top 20% of schools nationally
- ★ Outstanding achievement at A Level with an average grade of a B-. Students leave us to go on to high performing universities such as: Cambridge, Bristol, Warwick, Nottingham, Imperial & Southampton. Apprenticeships at the BBC, GSK and PW
- ★ We are oversubscribed at both Year 7 and Year 12. Parents, carers & young people choose Chelsea Academy as their first choice school
- ★ Staff love working here. They stay a long time and are committed to providing a brilliant education for your child

# And… what we don't do!

- We do not run banding tests
- We don't keep you out of the loop
- We don't expect the students starting with us in Year 7 to just 'get on with it'

**Amyiah and Tariq in Year 7; Roxy and Koji in Year 13**
